A Message from Director Saldaña

To all ICE employees
February 18, 2015

On February 16, a federal district court issued an order stating that it temporarily enjoined the Department of Homeland Security's (DHS) implementation of DAPA (Deferred Action for Parents of Americans and Lawful Permanent Residents) and the expansion of DACA (Deferred Action for Childhood Arrivals) as announced by the Secretary on November 20, 2014. *See Texas v. United States*, No. 14-cv-254 (S.D. Tex. slip op. Feb. 16, 2015). Unless and until further guidance is given, U.S. Immigration and Customs Enforcement's (ICE) officers, agents, and attorneys should not consider the new DAPA and expanded DACA guidelines as the basis for exercising prosecutorial discretion. Officers, agents, and attorneys should also not use these guidelines to determine whether individuals may request deferred action nor to refer individuals to U.S. Citizenship and Immigration Services.

The court's decision did not enjoin nor impact the Secretary's overall arrest and removal prioritization of DHS enforcement resources or the existing 2012 DACA policy. Agents, officers, and attorneys should continue to process individuals and litigate removal cases consistent with the enforcement priorities noted in the Secretary's memorandum dated November 20, 2014, entitled Policies for the Apprehension, Detention and Removal of Undocumented Immigrants, as well as the 2012 DACA policy.

Please also review Secretary Johnson's press statement regarding this court decision at
